CLEARLINE is a Chicago Organized Crime case which targets LCN member [redacted] among others. This case is being developed by Title III coverage of [redacted] Currently the 2nd extension to an original court ordered Title III has been authorized and monitoring is ongoing. PAT MARCY and captioned subject FRED ROTI have been intercepted during court authorized monitoring. Through these two investigations as well as, additional background information, pen registers, etc. it is believed that PAT MARCY and FRED ROTI [redacted]

Cooperating Witness (CW) [redacted] has furnished [redacted]

Conversations intercepted relating to the CLEARLINE investigative involve what are believed to be criminal conversations between [redacted] MARCY and ROTI. It is believed that the Title III coverage being sought with the enclosed affidavit will more fully develop evidence against MARCY and ROTI as well as, [redacted] in concert with the above two investigations. It is also believed that efforts to prosecute MARCY, ROTI and [redacted] may be unsuccessful without additional Title III coverage requested herein. It is also believed that MARCY, ROTI and [redacted] comprise the most powerful arm of the Chicago LCN in that they control the political and judicial arm of corruption for the LCN in Chicago. Captioned case is part of a larger investigation targeting the LA PIETRA Crew of the Chicago LCN who has historically controlled Chicago's First Ward. Violations being addressed by this investigation primarily involve:

(1.) Title 18, U.S.C., Section 1962 (c) and (d)

(2.) Illinois Revised Statutes, Chapter 38, Sections 33-1(a), (d), (e) and 33-3 (d) involving bribery and official misconduct.

During an authorized Group I UCO [redacted] attempts to use [redacted] Several consensual recordings in person and telephonically are set forth in the affidavit concerning this UCO. [redacted]

The central theme of the enclosed affidavit concerns the LCN control of Chicago First Ward and through this control being able to look out for LCN interest through judicial and political corruption. It is in this regard that information

concerning [redacted] (above) is included in the enclosed affidavit. b3 b6 b7C

Additional probable cause is set forth as a result of Title III intercepts of MARCY and to a lesser degree ROTI over the telephones of [redacted] Surveillance and pen register information in concert with the above is believed to establish probable cause for microphone and telephone interceptions at [redacted]
